Garbage Pick-up Hours:

Pick-up now starts at 9 am —12 pm

**Garbage Pick-up will be two (2) times a week;
Tuesday & Friday**

Please make sure your household trash & garbage are in plastic garbage bags before putting it in the bear proof containers. If the bear proof container is full please let us know.

We do have replacement bags for the bear containers. Please do not take your trash bags to the Recycle Center.

Plan Ahead Now to keep warm this winter

How are you going to pay for your winter heating Bills?

Budget cuts have resulted in the elimination of the Alaska Affordable Heating Program which assisted households with income between 15 % and 225 % of poverty. If you fall into this income category, you will not qualify for assistance this winter.

If you have questions, please call Heating Assistance at 1-800-470-3058

Waste-Oil Furnace

We are still in need of waste oil for the Fire Hall waste oil furnace. The types of oil the furnace takes are used engine oil, transmission fluid, and number 2 diesel oil. If you change your vehicle oil please call the CIV office at 767-5505 ask for Daniel Klanott ext 224 or Brian Willard ext 231 and we can come and get your waste oil for the furnace.

Klukwan Recycle Center has Moved!

Recycle Center is now located in the green building behind the CIV Office. If you need assistance at the recycle center or getting your recyclables to the recycle center; stop by the CIV office or call at 767-5505 and talk with Daniel Klanott ext. 224 or Pat Warren ext. 226.

Below is the 2016 Recycle Pick-Up Schedule:

Sept 15, 29; Oct 13, 27; Nov 10, 23; Dec 8, 22

Recycling Tips

How to recycle:

Aluminum Cans: Rinse, drain, and put in Bin for transport to recycling center. (No foil / Pie Plates, cat food cans etc.)

Tin Cans: Rinsed, flattened, and labels off

Plastic Bottles & Jugs: p¹ – Green & Clear Soda Bottles & Jugs (All containers need to be rinsed out and lids removed)

P² – All Colors including white (All containers need to be rinsed out and lids removed)
Cloudy Plastic Jugs.

CIV is not able to recycle cardboard, paper, and glass at this time.

Used lead-acid batteries can be taken to Bigfoot. Bigfoot now takes used lead-acid batteries at no charge.

Electronic Waste (E-Waste)

E-Waste is used computers, cell phones, TVs, and VCRs. Some materials, such as lead, nickel, cadmium and mercury could pose threats to human health and the environment if mismanaged at their end-of-life. Keeping used electronics out of the landfills, to recover materials and the environmental impacts and energy demands from mining and manufacturing will lengthen the life of the landfill. All electronic waste needs to be taken to the white connex next to the recycle center.

Recycling electronics recovers valuable materials and as a result, we reduce greenhouse emissions, reduce pollution, save energy and save resources by extracting fewer raw materials from the earth.

If you have any e-waste, call the CIV office, 767-5505 and ask for Daniel Klanott or Pat Warren.

Thank You to all the people who are up to date with their Water and Sewer Utilities

This keeps Klukwan's water flowing.
